Assisted Living & Memory Care

WELCOME

to assisted living
at its finest

The Landing of Canton is more than just a place to be, it is your opportunity to be part of something special. Our goal is to help our residents find happiness, fulfillment, and purpose, far exceeding what is possible, living at home. Our passion is to create a lifestyle where your happiness and well-being are at the center of everything we do. A place where each resident is empowered to live life their way, every day, no matter how healthcare needs may change.

The Landing is designed to provide the opportunity to enjoy life in a comfortable environment that emphasizes social experiences and serenity with just the right amount of daily support for residents to maintain the level of independence they desire. It is a place where both residents and staff love what they do - and it shows.

**Our Goal Every Day is to
Create Something Special
for Our Residents**

With many cozy spaces throughout the community, you can easily extend your living space and enhance your daily routine. Relax with a cup of coffee and a good book on the sun-filled patio, visit with friends while enjoying a delicious meal in our dining room, or enjoy diverse social and recreational programs planned around your and other residents' interests, favorite pastimes and cherished routines. The choice is yours.

ENHANCE your daily routine

Here, residents are surrounded by caring staff and everything they need to lead a fulfilling and meaningful life. We also encourage you to plan personal gatherings such as birthdays, an anniversary, or an intimate meal with your family as a special surprise. Our staff will work with you to give your gathering your signature touch, from flowers on the tables to preparing a special menu.
